Responsibilities:

- Create and execute aesthetic, functional, and safe interior and exterior design concepts that inspire relaxation in various wellness spaces at the spas.
- Coordinate design and décor projects based on seasons and events for the Nordik Group's corporate offices.
- Do research, select decorative accessories, run tests, make required purchases, and implement design concepts for indoor and outdoor spaces.
- Participate in developing mood boards about the experiences, ambience, and spaces to be created.
- Create design standardization documents for interior and exterior space design for Nordik Group establishments.
- Design décor based on seasons, promotional campaigns, events, and current themes.
- Verify the logistics of implementing the artistic direction of video and photo projects concerning the spas and the corporate offices.

Requirements:

- Interior design diploma (college or vocational education) or equivalent experience
- 3 to 5 years of varied experience in interior decorating
- Bilingual in French and English (spoken and written)

Qualifications:

- Follow new trends in décor and relaxation experiences.

- Familiar with the spa environment and the wellness industry.
- Understand the needs of a spa that welcomes a large number of guests and that offers services year round.
- Passion for personalized interior design and inspiring layouts for furniture and accessories.
- An eye for choosing the right accessories and complementing spaces with small groupings of objects that emanate a sense of wellness.
- Possess excellent organizational, planning, and monitoring skills, as well as an outstanding work ethic.
- The ability to manage many projects at once while following each individual schedule.
- Display good judgment and independence, know how to work as part of a team.
- Excellent interpersonal and communication skills.
- Able to adapt to change and rise to a challenge.
- A marked interest in health, wellness, and aesthetics.
