

## PRESS RELEASE FOR IMMEDIATE DISTRIBUTION

### NORDIK GROUP DONATES \$16 000 TO LA MAISON DES COLLINES

**GATINEAU, AUGUST 15, 2018** - Martin Paquette and Daniel Gingras donated \$16 000 to La Maison des Collines, on behalf of Nordik Group. "We are committed to giving back to our community and the construction of a palliative care home in Wakefield is particularly important to us.", said Martin Paquette, CEO and co-owner of the Nordik Group. The donation will support the construction of one of the rooms which will help providing high quality care and a peaceful environment for patients and their families.

The donation was presented to La Maison des Collines on August 10, 2018, during their annual charity golf tournament.

## **ABOUT NORDIK GROUP**

Nordik Group is a rapidly expanding company that wants to carve out a place for itself at the peak of the wellness, health, tourism and hotel industries. By relying on the diversity of its activities, Nordik Group has created value and has grown its market. Through its Corporate Development division, Nordik Group identifies and assesses promising, large-scale projects and business opportunities to accomplish and join along with dynamic organizations with mandates generally focused on wellness.
