

Nordik Spa-Nature Donates more than \$115,000 to the Quebec Cancer Foundation

Chelsea, September 20, 2016 – Nordik Spa-Nature is proud to have donated more than \$115,000 to the Quebec Cancer Foundation (FQC) over the last three years. The commitment has led to Nordik's recognition as an official FQC partner. Over the last three years, various large-scale events have been organized and actions have been taken to raise funds to support the Foundation, especially the Outaouais Regional Centre and Lodge, which receives more than 1000 visitors annually.

As a result of its commitment, Nordik Spa-Nature has contributed in its own way to the well-being of people battling cancer, a disease that affects almost one in two people across Québec and which impacts daily life in many ways, including the well-being of their families.

Real action

Among the events organized by Nordik Spa-Nature, we wish to draw particular attention to: the golf tournaments, Auguss contests during the Grand Dévouement for the FQC, garage sales, FQC days (during which \$5 were donated for each purchase of a thermal experience), and the famous masked ball in co-operation with event planner Orkestra-Events.

Additionally, with its desire to increasingly cooperate to improve the well-being of residents and users in the region requiring the services of FQC during their battles, Nordik Spa-Nature is offering access to the thermal experience, massage therapy treatments, and Källa treatments to resell them at advantageous prices and raise more donations.

"I would like to give my heartfelt thanks to Nordik Spa-Nature for its ongoing support over the past three years. Thanks to its generosity and its commitment, people living with cancer – not only in our region, but also in Québec as a whole – have been able to benefit from day-to-day services and support," emphasized Corinne Lorman, director of the Outaouais Regional Centre and Lodge of the Quebec Cancer Foundation.

Continuing commitments this Friday, September 23

Nordik Spa-Nature is continuing its commitment by taking the opportunity to promote its 2016 FQC Day, which will take place on Friday, September 23, from 9 a.m. to midnight. For each purchase of a thermal experience, Nordik Spa-Nature will donate \$5 to the FQC. Bring your friends and relax for the cause!

Nordik Spa-Nature would like to thank its partners, visitors, and employees for their co-operation in completing various projects that have allowed it to gather donations for this noble cause year-after-year. Thanks to them, we are able to provide a break in the storm.
